# **Candidate Information Pack**

July - August 2017

## A message from the Chief Executive

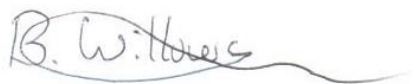

Thank you for showing an interest in this position.

The Impact Report which is part of the information available to candidates will give you a flavour of the type of work we deliver and the impact we make. This includes having worked with over 10,000 people last year, with over three quarters of these being under the age of 25. We know our work with young people is genuinely transformational and we are all passionate about continuing to grow this area. However we also know that to achieve this, our commercial operations have to be sound.

2017 will see us focusing on ensuring our training revenues drive sufficient surplus into the charity to underpin our future sustainability and invest in our transformational Sea.Change activities. With the pressure on local government and the public sector as a whole to reduce their expenditure and make budget cuts, it is essential now more than ever that UKSA has a self-sustaining model on which to grow and be able to invest in the charity and achieve our strategy and vision.

We have an exciting time ahead and we are looking for individuals who can be pro-active within a fast past and unique environment; who excel at being part of a team, thrive at solving problems and have a desire to be part of UKSA's future and in turn support young people who most need our help.

I look forward to your application.

Chief Executive

## About UKSA

We are a youth charity that uses the power of the sea to transform the lives of thousands of young people each year, from all around the UK. The charity was formed in 1987 by Noel and Sylvia Lister who wanted to educate and enrich the lives of young people, using their experience of the sea, including the infinite challenges and gifts it offers, and the power it holds to make change. Nearly thirty years on, this remarkable ethos remains at the heart of UKSA. Our activities fall into two areas:

### Sea.Change

We provide life-changing opportunities to schools and groups, disadvantaged and disaffected young people who are not in education, employment or training (NEETs) and young offenders. A common theme for many of these individuals is the low expectation they have of themselves and we challenge them to transform and to create opportunities for themselves.

### Sea.Careers

We are the world's largest provider of marine training, ranging from watersports instructor, through to training officers working on vessels up to 3,000 gross tonnes. This work cross-subsidises our 'Sea Change' activities.

We are proud of the large number of students who leave us to start their first jobs in the maritime industry, and go onto a lifetime of opportunity.
