

School/Group Name:

Course Dates:

Sea. Change.

Please insert the names of your group into the boxes provided. The number of boxes indicates the number of beds per room.

**Please note;** the allocations of Boy/Girl spaces MUST be adhered to- It is extremely important that at the UKSA rooming runs smoothly- Failure to comply with the instructions on the rooming plan will result in our staff having to room your group where there is space- not necessarily where you and your students want to be.
