

Application form

The cost of the 5-day, 4-night, all-include residential programme is **£420** – however depending on your individual situation, funding may be available to support your attendance on the course.

There is a short application process before you can book your place on the course and potentially secure funding. We just want to get to know more about you so try to answer the questions with as much detail as you can.

If you need more space, please feel free to use extra paper and attach to your form. We would also welcome video applications if you feel this would be a better way for us to get to know you.

Once we have your application, we will be in touch to tell you what happens next. Please note that any information that you share with UKSA will not be shared with any third parties.

Please fill in all the boxes below.
